ABOUT DUDHSAGAR WATERFALL

- Dudhsagar waterfalls, as the name suggests, is the sea of milk. It is located in the Mandovi river in Goa, which is 60 km away from Panaji by road. It is among the tallest waterfalls in India. It has a height of 310m (1017 feet).
- The Dudhsagar trek is a 14 km long trek (one side) that takes around 6-7 hours, passing through the dense forest and walking through the railway tracks. And it is all worth it. when you witness the water rapids for the first time, you will be surprised to see such a magnificent view, and the natural beauty surrounding it is praise-worthy.
- This place has a major tourist attraction because of its mesmerizing beauty, pleasant vibes, and sparkling and silent nature. That's not it, the rock formations at the base have made a natural pool, which has turquoise blue water that has descended from the Dudhsagar falls. This pool is known as the Dudhsagar waterfall pool.
